

Department of Transportation - Federal Aviation Administration

Supplemental Type Certificate*Number* SA02283SE*This certificate, issued to*

Electronics International, Inc.
63296 Powell Butte Highway
Bend, OR 97701

*certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part * of the * Regulations.*

Original Product—Type Certificate Number:

* See attached Federal Aviation Administration (FAA)

Make:

Approved Model List (AML) SA02283SE for approved

Model:

aircraft models and applicable airworthiness regulations

Description of the Type Design Change: Installation of Electronics International Inc. Glass Panel Engine Monitor (with In Flight Data) CGR-30P in accordance with the Installation Instructions, Document No. II 02151301, Revision B, dated June 21, 2013, or later FAA-approved revision. This modification must be inspected and maintained in accordance with Electronics International, Inc. Instructions for Continued Airworthiness, Document No. 06211301, Revision B, or later FAA-accepted revision.

Limitations and Conditions: Approval of this change in type design applies to the airplanes listed on AML SA02283SE only. This approval should not be extended to other aircraft of these models unless the installer determines that the relationship between this change and any other previously incorporated approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. Only one of the parameters displayed on the Secondary Screen may have a Caution and/or Warning operating range. A copy of this certificate, AML SA02283SE, and the FAA-approved airplane flight manual supplement as specified on AML SA02283SE, must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 24, 2009*Date reissued:**Date of issuance:* July 25, 2013*Date amended:**By direction of the Administrator*
