\_\_\_\_\_  
\_\_\_\_\_

Oil used? \_\_\_\_\_ Ratio or Mix? \_\_\_\_\_

Gas Type (octane)? \_\_\_\_\_

Exhaust System Type Used? \_\_\_\_\_

Has the engine been sent in for service before? Y / N Why? \_\_\_\_\_

Please make sure the engine has been thoroughly cleaned prior to shipment. If the engine is found to be dirty, a service fee of \$35 will be added in your final repair bill. A service charge of \$45/hr is charged if no warranty issues are found. Inspection and repair can take 2-4 weeks if no parts are required.

Engines that have been modified or damaged will not be repaired under normal DLE warranty. A quote for repairs will be provided after disassembly and evaluation. If the repair quote is not accepted, engines will be returned unassembled. The customer is responsible for return freight cost and Chief Aircraft is not responsible for any postage or carrier costs.

By signing this document you agree that you have read and understand the terms and conditions provided above.
